## **Abstract**

Meeting minutes and organizational materials of the College Senate of Middlesex County College.

## **History**

The College Senate, originally know as the Faculty Senate, was formed in 1968, as an advisory body consisting of elected representatives of administrators, faculty, and students. The Senate, responsible to classroom and non-classroom personnel with faculty status, provided the College community with a means of indentifying and solving problems, making recommendations of policy, and advising the President and the Board of Trustees with respect to planning and development policies for the College.

## **Scope and Content**

The collection is arranged chronologically. The records document the proceedings of Senate meetings. The proposed constitution for the senate, miscellaneous reports, administrative and procedural policies, and related correspondence are included, as well as the initial organizational structure of the College.

## **Related Material**

The records of the Middlesex County College – College Senate are part of the College Archives at the Middlesex County College Library.
