Abstract

Reports, studies, surveys related to institutional accreditation, planning, and research.

History

xx

Scope and Content

The collection is arranged in the following series:

Enrollment contains class profiles, projections, and reports related to admissions, retention, and withdrawals.

Graduates and Transfers includes graduating class profiles, follow-up studies, and salary information for graduates and transfer students.

Institutional development includes materials related to the educational, strategic, marketing, and institutional planning efforts of the College.

The **Reports** series documents various surveys, programs, and services offered by the College.

Related Material

The records of Middlesex County College Research and Planning are part of the College Archives at the Middlesex County College Library.

Processing Information
