

Faculty and Staff Scholarly and Creative Works Bibliography

Volume 1, Issue 1
January 2019
(rev.)

A Message from the Library Director

Greetings and Salutations,

I want to personally welcome you to our first annual Middlesex County College bibliography. In my time at MCC, I have been consistently impressed by the quality and output of writing by our faculty and staff. It became apparent that we should showcase this significant talent, so we began compiling this bibliography. Here you will find scholarly research, academic analyses, edited works, textbooks, poetry, and fiction. We're only starting to scratch the surface on other formats of the arts. This bibliography attempts to provide insight into the superb work in which the Middlesex County College community engages.

This bibliography is held in our digital collection, *Celebrating MCC: Faculty and Staff Scholarly and Creative Works*, at <http://digital.middlesexcc.edu/CelebratingMCC> and is also in the physical College Archive.

However, this bibliography is only the first of what I hope will be many compilations highlighting your works. I am asking for your support in keeping up this momentum. We welcome all authors, artists, editors, and other creators to provide us with information about the work they've produced. I anticipate each volume will eventually include only new works for the academic year. Do keep an eye out for our Writing Bootcamps, which provide guidance for faculty and staff engaged in writing and research projects.

Please join us for the first annual reception to honor all creators on March 28, 2019 in IRC 235 at 2 PM.

Sincerely,

Marilyn N. Ochoa

Submitting to MCC Works

To aid us in developing the annual bibliography, please complete the form at <https://bit.ly/2Ga5mqG> with information about your current or past works. If you have citations or multiple works to share, you may send us your CV or a Word document in an email to Library@middlesexcc.edu.

All created works can be submitted for citation into this bibliography, including:

- **Books and monographs.** The items in our catalog are already in this bibliography. Authors with new books or monographs are encouraged to donate a copy to the physical library collection if they have not already.
- **Book chapters or journal articles.** In some fields, these are typical outputs. We will include the citation, but not a citation to the book/journal in which it was published. Single journal issues that contain MCC-faculty/staff authored articles will not be added to our physical library collection, with the exception of *Middlesex: A Literary Journal*.
- **Solo and group art exhibitions/shows/appearances.**
- **Translated texts and edited works.**
- **Doctoral dissertations.**

The Celebrating MCC Faculty and Staff Works Poster Campaign

The MCC Writes and MCC Creates poster campaign highlights contributions in this bibliography and will be showcased on campus and in our digital collection, *Celebrating MCC: Staff and Faculty Scholarly and Creative Works*. The posters include creators with their works, and are developed by Tom Peterson and Damien Gonzalez in the Marketing Communications office. **If you are interested in participating, please contact Marilyn N. Ochoa at mochoa@middlesexcc.edu.**
