

Faculty and Staff Scholarly and Creative Works Bibliography

Volume 1, Issue 2
March 2019

A Message from the Library Director

Greetings and Salutations,

Welcome to Volume 1, Issue 2 of the Middlesex County College Faculty and Staff Bibliography. This bibliography is intended to celebrate the scholarly and creative output of our Middlesex County College community. The range of work covers scholarly research, academic analyses, textbooks, poetry, and fiction. Several new authors and artists are included in this issue.

With your help, the Library plans to create a record of the works produced by our community's authors, artists, editors, and other creators. We welcome all to provide us with information about the past and current work. During the first few years of this initiative, we will see a blend of old and new works, and eventually new issues will include only new works for the academic year.

This bibliography series is held in our physical College Archives and our digital collection, *Celebrating MCC: Faculty and Staff Scholarly and Creative Works*, at <http://digital.middlesexcc.edu/CelebratingMCC>.

Sincerely,

Marilyn N. Ochoa
Director, Library Services

Submitting to MCC Works

To aid us in developing the annual bibliography, please complete the form at <https://bit.ly/2Ga5mqG> with information about your current or past works. If you have citations or multiple works to share, you may send us your CV or a Word document in an email to Library@middlesexcc.edu.

All created works can be submitted for citation into this bibliography, including:

- **Books and monographs.** The items in our catalog are already in this bibliography. Authors with new books or monographs are encouraged to donate a copy to the physical library collection if they have not already.
- **Book chapters or journal articles.** In some fields, these are typical outputs. We will include the citation, but not a citation to the book/journal in which it was published. Single journal issues that contain MCC-faculty/staff authored articles will not be added to our physical library collection, with the exception of *Middlesex: A Literary Journal*.
- **Solo and group art exhibitions/shows/appearances.**
- **Translated texts and edited works.**
- **Doctoral dissertations.**

The Celebrating MCC Faculty and Staff Works Poster Campaign

The MCC Writes and MCC Creates poster campaign highlights contributions in this bibliography and will be showcased on campus and in our digital collection, *Celebrating MCC: Staff and Faculty Scholarly and Creative Works*. The posters include creators with their works, and are developed by Tom Peterson and Damien Gonzalez in the Marketing Communications office. **If you are interested in participating, please contact Marilyn N. Ochoa at mochoa@middlesexcc.edu.**
