Off Campus Access

Use your **Middlesex College email address and password** to log in to databases and ebooks from off-campus.

Troubleshoot Access

- Remember to use your Middlesex College email address. The Password is your email password.
- If you receive an error message, you may need to clear your cache. [Instructions](#) are available for several different browsers.
- Getting a 404 error message or other access problems? It may be your security software. Consider adjusting your security settings or even temporarily turning off the program.
 - **Kaspersky**, an antivirus program known to block access to parts of the website – can produce an error, simply load forever, or other issues.
 - **Covenant Eyes**, a security/filtering program. Can cause login to fail with no error message or cause parts of the site to load incorrectly or not at all.
 - **Techloq**, a filtering/security software.
- Still having problems? [Contact a Librarian!](#)
