

**COLLEGE ASSEMBLY**  
**Task Force Charges 2011 – 2012**

**Academic Standards**

- Investigate making Student Success (SSD 101) a requirement for all students. Make appropriate recommendations. **(A recommendation was presented at the May 3, 2012 College Assembly Meeting and after discussion, the Task Force chair requested that a vote be taken, which was passed, to recommit the charge back to the task force for further consideration.)**
- Investigate the use of the class roster photo feature in Campus Cruiser as a tool to assist faculty in learning student names and to mitigate cheating. Make appropriate recommendations.
- Investigate the addition of a curriculum Grade Point Average to student transcripts. Make appropriate recommendations.
- Review the current placement test exemptions in terms of whether exemptions to MCC placement testing should be made for prior testing/coursework completed at non-accredited institutions. Make appropriate recommendations.
- Review the current placement test exemptions in terms of whether exemptions to MCC placement testing should be made based on prior coursework at another institution where a student received a grade of “D” or “F.” Make appropriate recommendations.
- Investigate the feasibility of exempting ESL students who have successfully completed 12 or more credit bearing courses from the reading comprehension portion of the College Placement Test. Make appropriate recommendations.
- Investigate the feasibility of exempting students from the reading comprehension portion of the College Placement Test if they successfully transfer ENG 121 and one additional college-level course (3 credits or more) from an accredited institution. Make appropriate recommendations.
- **STANDING CHARGE:** Report on the implementation status of recommendations submitted by your task force in 2011 – 2012, approved by the College Assembly, and forwarded to the College President for signature

**Accessibility for Persons with Disabilities**

## Educational Resources

- Due to limited open computer laboratory space on campus and at the centers, as well as the amount of telecommunications bandwidth needed for social media, music and video downloading websites, investigate the need to control the availability of these types of websites at all college locations. Survey departments to determine the needs for access to these sites. Make appropriate recommendations.
