

00:00:00:10 - 00:00:02:11

It was to slow down traffic.

00:00:02:11 - 00:00:06:15

Originally I people would come around
50 miles an hour.

00:00:06:18 - 00:00:09:16

It's not even speeding up, actually,
as soon as they hit the corner.

00:00:09:16 - 00:00:11:29

So I left hanging by the tree.

00:00:11:29 - 00:00:15:08

People in Slow down and a smaller one
like the child

00:00:15:08 - 00:00:18:08

being lifted in the tree and

00:00:18:12 - 00:00:19:24

then still nothing.

00:00:19:24 - 00:00:23:12

And then I figured, well,
my store and work party store,

00:00:23:12 - 00:00:28:17

I could buy a face mask and painted flesh,
you know, those sports mask.

00:00:29:00 - 00:00:30:22

So I did that.

00:00:30:22 - 00:00:35:12

And clothes, put a wig on it and a hat
and put the hands in the pockets.

00:00:35:12 - 00:00:38:23

And people started
slowing it down a little bit.

00:00:39:07 - 00:00:40:18

Then I figured I can make a couple more.

00:00:40:18 - 00:00:43:28

I left over fencing and then I what?

00:00:43:28 - 00:00:44:19

People left.

00:00:46:18 - 00:00:48:15

They go, they have their own personality.

00:00:48:15 - 00:00:49:28

It's like an illusion.

00:00:49:28 - 00:00:53:10

It's making people think that something's that's not.

00:00:53:21 - 00:00:54:29

They think somebody is there.

00:00:54:29 - 00:00:56:28

The dogs think it's a real person.

00:00:56:28 - 00:00:58:26

What are the first couple of years I didn't even notice.

00:00:58:26 - 00:01:01:21

Like, nothing was even, you know, and a lot of them don't even move.

00:01:01:21 - 00:01:03:11

But, you know, just keep an eye out.

00:01:03:11 - 00:01:05:12

I try to change things as much as possible,

00:01:05:12 - 00:01:07:08

but yeah, I got a full dance card.

00:01:07:08 - 00:01:09:19

I mean, I could say I have three jobs, you know, but,

00:01:09:19 - 00:01:10:25

you know, it's just one of us.

00:01:10:25 - 00:01:13:05

But and it does take a bit of time.

00:01:13:05 - 00:01:16:05

I love doing it, but yeah, just keep an eye out and.

00:01:16:06 - 00:01:20:04

Oh well, probably just put pulls to a back road

00:01:20:10 - 00:01:24:11

and parked the car in a side road or a park to go to a gas station.

00:01:24:11 - 00:01:27:04

Just don't stop in the below road
and make 100 people

00:01:27:04 - 00:01:28:09

that you that want to kill you.

00:01:28:09 - 00:01:32:12

And please see a lot of people
they you know, they ask me, you know,

00:01:32:17 - 00:01:35:17

could I
could I let them for the Halloween ride,

00:01:35:22 - 00:01:39:09

that kind of thing, you know, So,
you know, a lot of people

00:01:40:05 - 00:01:42:24

pluses or a lot of neighbors
like my relatives visiting.

00:01:42:24 - 00:01:44:06

We had to see this. We love this.

00:01:45:14 - 00:01:46:09

I seem to see

00:01:46:09 - 00:01:49:09

more posting like negative posts online.

00:01:49:13 - 00:01:52:25

Nobody's really complained to me directly,
but I see people I'm

00:01:52:26 - 00:01:56:17

trying to do stuff where you can see it in
different ways will maybe a foot away.

00:01:56:17 - 00:01:58:19

You see something else,
you see something closer.

00:01:58:19 - 00:02:02:22

And I've just I really know I'm
just starting to come together, calming.

00:02:02:22 - 00:02:06:09

So it got I got it
like a kind of a feedback from it.

00:02:06:09 - 00:02:08:01

So it may not be the best thing I go on,

00:02:08:01 - 00:02:10:08
but the thing I felt like
I've actually came across.

00:02:10:08 - 00:02:14:05
So I'm trying to do, you know,
I've got the illusion down or something.

00:02:14:05 - 00:02:16:04
It made it look a couple times.

00:02:16:04 - 00:02:20:05
I've seen it from a couple of different
levels and I'm trying to I'm working with

00:02:20:05 - 00:02:24:01
uv paint now too, where you have one
picture and you put a black light on it.

00:02:24:01 - 00:02:25:28
And the second picture coming out for it's

00:02:25:28 - 00:02:28:17
a pencil drawing and you put the black
like there's the second picture

00:02:28:17 - 00:02:31:16
and it's really no way to see it visually
unless you're looking at it

00:02:31:16 - 00:02:34:13
there, you know, like it
reproduces weirdly, you know.

00:02:34:13 - 00:02:36:21
So it just
looks like you painted in a weird color,

00:02:36:21 - 00:02:39:28
but it looks pretty awesome with a strobe
light and stuff.

00:02:39:28 - 00:02:44:00
And that's exactly what I'm thinking is
my best stuff now, which I'm just getting

00:02:44:00 - 00:02:47:03
to make making things look like they are
and are hiding things inside.

00:02:47:03 - 00:02:49:27
Other things like a nest egg or nesting.
Look at a picture.

00:02:49:27 - 00:02:51:26
But there's something else to look at it.

00:02:51:26 - 00:02:55:12
There's always like an Easter egg
or something else to find a piece of art

00:02:55:12 - 00:02:58:26
where it may wait a minute is
how did he do that?

00:02:58:26 - 00:03:03:12
Or just something that makes you just
look at look at things differently, maybe.

00:03:03:12 - 00:03:07:24
And how it's pieced together or or what
you take it the meaning of something,

00:03:07:26 - 00:03:11:02
looking at an egg and saying, well,
it could be a pig or, you know, or

00:03:11:06 - 00:03:12:23
but just, you know, like I said,

00:03:12:23 - 00:03:15:27
just looking at life different,
like really like garbage in garbage.

00:03:16:11 - 00:03:18:15
You know,
I you know, you're throwing something out.

00:03:18:15 - 00:03:19:24
It's like, no, you got to use

00:03:21:06 - 00:03:21:18
somebody.

00:03:21:18 - 00:03:23:02
And they have like 100 videotapes.

00:03:23:02 - 00:03:24:26
You've probably built a shed out of it
or something.

00:03:24:26 - 00:03:28:22
You know, somebody you know, the bottles,
you know, you build a raft out of them.

00:03:28:22 - 00:03:32:05
You could you could sculpt actually

with the material of garbage.

00:03:32:13 - 00:03:35:25
You know, you put it together like,
you know, Legos or something.

00:03:35:25 - 00:03:39:05
You know, you just, you know,
put the tops off and collect them together

00:03:39:05 - 00:03:46:02
like snake, but just of use in not using,
not wasting something.

00:03:46:15 - 00:03:49:15
You know,
I was raised my mom she made the dolls

00:03:49:29 - 00:03:53:19
We go garbage
picking as a child, as a kid in the car

00:03:53:29 - 00:03:56:29
and I love it.

00:03:57:06 - 00:04:00:20
And we just, you know, she'd
pick up displays that she can use for

00:04:00:20 - 00:04:04:14
the dolls, you know, you know behind a liquor
store that lit up, maybe,

00:04:04:21 - 00:04:09:00
or just drawing
birthday cards for my family.

00:04:09:00 - 00:04:12:16
And also, I write poems, my girlfriend

00:04:12:16 - 00:04:16:21
has a c** load of poems that I wrote

00:04:16:21 - 00:04:20:11
her, like love poems and stuff,
and I got stuff like this.

00:04:20:18 - 00:04:23:17
I got something
I posted online on my Facebook

00:04:23:17 - 00:04:27:18
about like getting old that I, I love that
I wrote.

00:04:27:27 - 00:04:31:00

I think I just
it's almost like a mantra that I and

00:04:31:23 - 00:04:36:06

but I started doing like the birthday
cards, you know, like dear mom, love you

00:04:36:06 - 00:04:39:21

this and just simple birthday poems
and then continued with it.

00:04:39:27 - 00:04:43:20

I draw cards for Christmas
and then just delusion, just trying to

00:04:44:17 - 00:04:48:01

make people see things differently,
hiding things and different things

00:04:48:01 - 00:04:51:19

and making people look twice
or look at things differently.

00:04:53:29 - 00:04:55:06

You know, it's

00:04:55:06 - 00:04:57:21

it's just like I said, just get to get it.

00:04:57:21 - 00:04:59:25

Not not necessarily getting a reaction.

00:04:59:25 - 00:05:00:03

Yeah.

00:05:00:03 - 00:05:03:03

I mean, I love sitting in a car
and watching reactions,

00:05:03:09 - 00:05:06:24

but I don't like being looked at as much
or have the attention.

00:05:06:24 - 00:05:11:11

I'd rather just be in the
you know, I just want to know

00:05:11:11 - 00:05:14:12

that I'm getting, you know, like somebody
to look at something different.

00:05:14:23 - 00:05:18:08

But yeah, she definitely influenced me
with the pause, just making,

00:05:18:08 - 00:05:21:09
like I said, looking at something,
looking at every material

00:05:21:09 - 00:05:24:09
and saying, Wait a minute, you're
you could be out there, whatever.

00:05:24:20 - 00:05:29:25
But I got to say, yeah, as miserable
as it is right now with the COVID thing,

00:05:30:12 - 00:05:33:10
I got to say, the time I'm living in
right now, the time I grew up and

00:05:34:15 - 00:05:36:09
maybe five years earlier,

00:05:36:09 - 00:05:40:15
but all be about the same time of Born
in 1959,

00:05:41:23 - 00:05:44:23
in school in the seventies
and the eighties

00:05:45:12 - 00:05:48:27
got a chance to see various
themes of music.

00:05:48:27 - 00:05:53:13
Various art, had some great influences
to grow up with Mad magazine,

00:05:53:20 - 00:05:57:15
National Lampoon magazine, comic books of

00:05:58:28 - 00:06:01:05
just Jim Henson starting off,

00:06:01:05 - 00:06:04:05
you know, making puppets out of like what

00:06:05:16 - 00:06:09:16
is plungers or whatever, you know,
just just showing like you could make

00:06:09:16 - 00:06:13:17
something out of something else
and just, you know, I really

00:06:14:27 - 00:06:17:03
I guess, really hit by it.

00:06:17:03 - 00:06:20:05
You know, I recently heard that thing
with, like, you know, hardest thing

00:06:20:05 - 00:06:23:21
in life to realize is not everyone likes
you as much as you like them, you know?

00:06:23:21 - 00:06:26:21
And I realized there's somebody at work
that actually hates me,

00:06:26:22 - 00:06:29:08
you know,
And it's hard to get used to the fact

00:06:29:08 - 00:06:31:11
just because of bad
day in an argument or something.

00:06:31:11 - 00:06:34:14
And I've let it go,
but they just have a head on, so to speak.

00:06:35:25 - 00:06:38:21
I it bothers me that

00:06:38:21 - 00:06:42:13
I guess not that some people don't get it,
but they just don't live and let live

00:06:42:14 - 00:06:43:13
realize that.

00:06:43:13 - 00:06:47:16
Well, you know, and that's
that's everyone's the same all over,

00:06:48:07 - 00:06:48:21
you know,

00:06:48:21 - 00:06:52:08
And I like the fact that people could
come up and just talk to me and whatever.

00:06:52:08 - 00:06:54:25
And it could be anybody from anywhere.

00:06:54:25 - 00:06:57:18
And, you know, I just

and they know I ain't going to judge them.

00:06:57:18 - 00:06:58:24
I don't they don't judge me.

00:06:58:24 - 00:07:00:05
They just love the place.

00:07:00:05 - 00:07:01:27
And it seems to be a mutual thing.

00:07:01:27 - 00:07:06:19
And I, I just don't get
how people could be negative.

00:07:07:01 - 00:07:08:26
You know, It's like, this is America.

00:07:08:26 - 00:07:10:03
People are being free.

00:07:10:03 - 00:07:11:11
People are doing what they ought to.

00:07:11:11 - 00:07:13:06
Okay,
you want to put a flamingo on your lawn?

00:07:13:06 - 00:07:14:04
That's okay.

00:07:14:04 - 00:07:16:20
You want to make your yard concrete.

00:07:16:20 - 00:07:17:09
That's okay.

00:07:17:09 - 00:07:20:03
You want to paint your house like that person
in Spotswood or whatever,

00:07:20:03 - 00:07:21:02
that's that's fine, too.

00:07:21:02 - 00:07:25:10
But, you know, it's, you know,
that's that's what it's all about,

00:07:25:10 - 00:07:26:19
you know, being yourself.

00:07:26:19 - 00:07:30:25
And even in these times, people
are more encouraged to be yourself, more,

00:07:31:04 - 00:07:35:03
you know, so they should go with the flow
more or less, you know, realize, well,

00:07:35:08 - 00:07:36:10
that's the way it is.

00:07:36:10 - 00:07:39:09
You got to be more tolerant,
you know, or you got to recognize that

00:07:39:09 - 00:07:41:24
with the same person,
you know, it's, you know,

00:07:41:24 - 00:07:45:03
they're all we're all dummies, you know,
it's all is all the same thing.

00:07:45:03 - 00:07:46:09
We'll just try to get by.

00:07:46:09 - 00:07:49:16
And so it bothers me a bit,
but I realize, you know,

00:07:49:25 - 00:07:51:04
you're not going to please everybody.

00:07:51:04 - 00:07:55:00
There's not going to be somebody that has
to complain because that's a catnap.

00:07:55:01 - 00:07:57:14
You know, they they like complaining.
