Scholarly and Creative Works Bibliography

Volume 5

Spring 2023

A Message from the Library Director

Greetings and Salutations,

Welcome to Volume 5 of the Middlesex College Faculty and Staff Bibliography. This bibliography is intended to celebrate the scholarly and creative output of our Middlesex College community. The range of work covers academic analyses, fiction, poetry, presentations, scholarly research, textbooks, and more.

With your help, the Library is creating a record of the works produced by our community's authors, artists, editors, and other creators. We welcome all to provide us with information about their past and current work. The items in this bibliography were collected during the 2022 to 2023 academic year.

This bibliography series is held in our physical College Archives and our digital collection, *Celebrating Middlesex College: Faculty and Staff Scholarly and Creative Works*, at <http://digital.middlesexcc.edu/CelebratingMCC>. You can also find many of the listed monographs in our collection.

Sincerely,

Marilyn N. Ochoa

Middlesex College Faculty and Staff Scholarly and Creative Works Bibliography

This bibliography is in alphabetical order by last name. A list of creators by department is included on page 21. The citation styles used are either Modern Language Association style (9th edition) or American Psychological Association style (7th edition), depending on which corresponds with the author's discipline, with some customization due to the nature of the document.

Submitting to Middlesex College Works

To aid us in developing the annual bibliography, please complete the form at <https://bit.ly/2Ga5mqG> with information about your current or past works. If you have citations or multiple works to share, you may send us your CV or a Word document in an email to Library@middlesexcc.edu.

All created works can be submitted for citation into this bibliography, including:

- **Books and monographs.** The items in our catalog are already in this bibliography. Authors with new books or monographs are encouraged to donate a copy to the physical library collection if they have not already.
- **Book chapters or journal articles.** In some fields, these are typical outputs. We will include the citation, but not a citation to the book/journal in which it was published. Single journal issues that contain MC-faculty/staff authored articles will not be added to our physical library collection, with the exception of *Middlesex: A Literary Journal*.
- Solo and group art exhibitions/shows/appearances.
- Translated texts and edited works.
- Doctoral dissertations.
- Conference presentations.
